

Retail Guide 2019/2020

WELCOME TO OUR 2019/20 RETAIL GUIDE

Dear Customer,

We hope you are ready to gear up for Summer, hopefully it's full of sunshine and ice cream sales! As we get ever closer to the summer season we want to make sure you have everything you need to maximise your ice cream sales. This edition is bumper packed with ice cream from all our biggest suppliers, now all there is to do is sit back and wait for the sunshine.

We have also got some great deals on freezers, so if your current ice cream freezer is looking a little tired or you fancy a change, contact your sales rep or one of our Telesales team for more information.

In other exciting news. JB Foods are now the official distributor of Graham's Ice Cream. We are delighted to work so closely with a fellow Scottish Family Business. Check out pages 60 - 61 to see their full range including their new low calorie Goodness ice cream range.

Don't forget that the easiest way to place your JB Foods order is online and via our mobile app. The app is free to download and means you can place your orders whilst on the go. You can see all the latest pricing information, product images and stock availability. Why not give it a try? If you have any questions or would like a demo, please get in touch with your sales representative.

If you require any assistance, just ask a member of the team and they will be more than happy to help, or speak with your Business Manager the next time they pop in.

We hope you enjoy our 2019/20 edition of our Annual Retailers Guide and as always, please do not hesitate to contact our sales team if you have any questions regarding any of the products in this guide.

We look forward to working with you.

Best wishes,

Lee Brown

A NEW ADVENTURE IN ICE CREAM

We are all born curious...A lot of us dream of exploring faraway lands and immersing ourselves in an unfamiliar culture. Every hero ingredient we source for Nuii ice cream is carefully picked to evoke a feeling of adventure and discovery.

We are constantly searching the globe and challenging ourselves. How can a flavour embody the freedom and warmth of the Australian outback, the freshness of Idaho Valley or the immersive feeling you get, deep within the jungles of Java?

Every Nuii ice cream uses the smoothest creamiest dairy, encased in indulgent chocolate. We value substance over looks and the perfection of the imperfect, so all our ice creams are bursting with exciting textures and flavour. Introducing Nuii, inspired by discoveries on our journeys around the world.
